CPED 5300

Johnson Bible College

Dr. Tony Krug

New Schools

The Future

- Harnessing collective intelligence – Amazon style
- Implications of the “Long Tail” in Ed Materials
- Regrouping students by achievement level & projects, rather than by age & geography

New Schools

The Future (cont)

- Software cafeterias for teachers
 - Selection based on student needs
 - Pay as you go, a la carte
 - Open source textbooks or textbooks by the page, a la carte
- School 24/7??? (via server access)
- Open source educational applications
- “Second Life” styled interfacing

New Schools

Educational Gaming

- Responsiveness
- Convert-able & convers-able rewards
- Personal investment
- Identity building
- Dependability

New Schools

Challenges

- Universal broadband access
- Net neutrality
- Keeping up in professional development

New Schools

School 2.0
